All regular management, supervisory, and professional employees including the City Manager and City Attorney, shall receive a three percent (3.0%) salary increase.

Executive Management Team shall include the City Manager, the City Attorney and those classifications designated as Department Heads.

Salary Computation: Hourly equivalent of base monthly = base monthly salary x 0.0057692 (0.0057692 represents the monthly salary divided by the average number

of hours worked in a month).

- A. Police Chief Compensation: The Police Chief is eligible to receive Longevity Pay and Education Incentive Pay consistent with the Newark Police Management Association (NPMA) Memorandum of Understanding.

III. WORKING HOURS

- A. Full-time management, supervisory, and professional employees work 40 hours per week and as necessary. The Nine-Eighty (9/80) is the standard work schedule that equates to 40-hours per week in a two week period. Typically, an employee assigned to this work schedule will work 9 hours per day for four days and one day of 8 hours in one week (44 hours) and then 9 hours per day for four days in the next week (36 hours). The City Manager may revise the standard work schedule upon reasonable notice.
- B. City offices will be closed for business during the December holiday season. Non-essential employees, as determined by the City Manager, will participate in a four-day furlough. Employees may use general leave, management leave, or floating holidays during the furlough.
- C. Eligible employees on leave of absence without pay due to the furlough shall be paid holiday pay for holidays occurring during the furlough. Employees on an approved leave of absence without pay that started before December 10 and extends through or beyond December 31 will not be affected by the furlough and will not be eligible for holiday pay.
- D. Employees who elect a leave of absence without pay for the furlough may request up to a four-day salary advance. The salary advance must be requested by June 1 preceding the furlough. Repayment of a salary advance for the furlough may be spread over a period of time provided that:
 - 1. There is two weeks advance notice to payroll,
 - 2. The salary advance is fully repaid no later than the last full pay period of the calendar year, so all payments occur within the same calendar and fiscal year of the furlough,
 - 3. Payments begin no earlier than July 1 of the impacted calendar year, and
 - 4. The repayment plan is approved by the Finance Director, or designee prior to the furlough.
- E. Alternatives to the 9/80 work schedule will be subject to the approval of the City Manager.

IV. ACTING/SPECIAL ASSIGNMENT PAY

- A. Management, supervisory, and professional employees are eligible for premium pay of 5% over base salary while acting in a higher classification when assigned and prescribed by the City Manager.

Regular part-time employee scheduled to work 30- 35 hours per week will receive bilingual assignment pay of \$75.00 per month and regular part-time employees scheduled to work 20-25 hours per week will receive bilingual assignment pay of \$50.00 per month. Eligibility for bilingual assignment pay shall be based on the provisions outlined in Administrative Regulation 0522.

V. DEFERRED COMPENSATION

- A. The Newark Executive Management Team shall receive and participate in the following Deferred Compensation 401(a) Plan provisions:
 - 1. The Employer shall contribute on behalf of each participant six percent (6%) of earnings for the Plan Year.
 - 2. Each participant is required to contribute six percent (6%) of earnings for the Plan Year as a condition of participation.

Said participant contribution shall be included in total compensation for the purpose of computation in Public Employees Retirement System.

- B. ICMA-RC VantageCare Retirement Health Savings (RHS) plan.

The Newark Executive Management Team will participate in the RHS plan on a mandatory basis. The mandatory contribution will consist of the \$100 monthly Health and Welfare Allowance. The \$100 monthly allowance will be automatically deferred to the RHS plan. Specifics of the plan and any additional mandatory contributions are described and available in the plan summary.

- C. Implementation of Section 414(h)(2) of the United States Internal Revenue Code.
 - 1. Pick-up of Employee Contributions
 - a. Pursuant to the provisions of this Agreement, the City shall make employee contributions on behalf of employees, and such contributions shall be treated as employer contributions in determining tax treatment under the Internal Revenue Code of the United States. Such contributions are being made by the City in lieu of employee contributions.

- b. Employee contributions made under paragraph a. shall be paid from the same source of funds as used in paying the wages to affected employees.
- c. Employee contributions made by the City under paragraph a. shall be treated for all purposes other than taxation in the same manner and to the same extent as employee contributions made prior to the effective date of this Agreement.
- d. The employee does not have the option to receive the City's contributed amount paid pursuant to this Agreement directly instead of having it paid to the retirement system.

2. Wage Adjustment

Notwithstanding any provision in the current agreement to the contrary, the wages of employees shall be reduced by the amount of employee contributions made by the City pursuant to the provisions hereof.

3. Limitations to Operability

Section V. C. shall be operative only as long as the City of Newark pick-up of employee retirement contributions continues to be excludable from gross income of the employee under the provisions of the Internal Revenue Code.

VI. RETIREMENT

- A. All Management employees who were appointed prior to January 1, 2013 and all "Classic Members" (as defined by CalPERS) are referred herein either as "Classic Members" or as "Classic".
- B. The City shall continue to provide to all non-sworn Classic management employees a retirement formula known as "2.5% at 55" together with single year highest compensation, pre-retirement optional settlement level 2 death benefit, military service credit for prior service, and the indexed level 1959 Survivor Benefit options of the CalPERS pension plan. Non-Sworn Classic Members continue to pay the 8% employee rate for the 2.5% at 55 retirement formula plus continue to pay up to 3.468% of an additional contribution in accordance with the following formula for a total tax deferred contribution of 11.468%.

Non-sworn Classic members will contribute a matching percentage of salary in the form of an increase in employee contribution rate during the term of this agreement if the CalPERS Miscellaneous Plan employer actuarial rate for the 2.5% at 55 retirement formula exceeds 10.00% to a maximum of 16.936%. In the event that the employer rate exceeds 16.936%, the City shall be responsible for any increase above 16.936%. In subsequent years of the term of the agreement, if the

rate over 10.00% decreases, non-sworn Classic members' matching percentage of salary will be reduced by the above formula. Employer rate reductions below 10.00% will not be shared under the above formula.

The following is for illustrative purposes only:

If the CalPERS Miscellaneous Plan employer actuarial rate increases to 10.00%, each Classic non-sworn member would contribute zero (-0-) from their salary to pay for the retirement benefit. If the rate increases 3.0%, each non-sworn Classic member would contribute half of the 3.00% increase (1.50%) from their salary to pay for the retirement benefit. The City would then be responsible for the matching 1.50%. If the rate decreased by 3.0%, the non-sworn Classic member would no longer contribute the additional 1.50% of their salary towards the employer rate to pay for the retirement benefit.

- C. The City shall provide to all non-sworn Management employees who were appointed on or after January 1, 2013 who are non-sworn PEPRAs (as defined by CalPERS) a retirement formula known as 2% at 62 in accordance with the Public Employees' Pension Reform Act of 2013.

Non-sworn Management employees who were appointed on or after January 1, 2013 who are PEPRAs (as defined by CalPERS) will contribute half the normal cost of the 2% at 62 plan as required by the Public Employees' Pension Reform Act of 2013.

In addition to paying the employee rate, non-sworn PEPRAs will pay the same percentage of an additional contribution as non-sworn Classic Members pay.

The following is for illustrative purposes only:

If Classic Members pay 3.468% of the employer rate, PEPRAs will pay a total of 3.468% of the employer rate. If the employee rate for PEPRAs is 6.75%, in this example PEPRAs would pay the 6.75% employee rate plus an additional 3.468% towards the employer rate for a total of 10.218%.

- D. The City shall provide the one-year highest compensation option to Classic sworn and non-sworn members. The City shall provide the three-year average compensation requirement to PEPRAs as defined above.

VII. HEALTH AND WELFARE

- A. The contribution by the City toward monthly premiums for health and welfare programs of management, supervisory, and professional employees shall be the Minimum Employer Contribution as determined by CalPERS for employers under the Public Employees' Medical and Hospital Care Act (PEMHCA). In the event that

an employee elects to waive participation in the Program, that amount will be paid to the employee as part of the Cash-in-Lieu benefit as provided below in Section 4.

The employee shall execute a waiver in the event the employee elects not to participate in the PERS Health Benefit Program or cancel participation after enrollment.

- B. The City agrees to maintain a cafeteria plan under Section 125 of the Internal Revenue Code (IRC). The cafeteria plan allows employees to voluntarily reduce salary in an amount equal to the actual premiums for the PERS Health Plan, City-administered dental insurance and/or vision insurance as a before-tax conversion of salary. In the event of changes in law affecting the Flexible Benefit Plan, the City agrees to meet with management, supervisory, and professional employees regarding the impact of such changes.

Effective for the 2022 plan year, the City shall contribute to each eligible employee's cafeteria plan, an amount equal to the following, minus the Minimum Employer Contribution.

Employee + 1 Dependent: \$1,755
Employee + 2 or more Dependents: \$2,318

Effective for the 2023 plan year, the City shall contribute to each eligible employee's cafeteria plan, an amount equal to the following, minus the Minimum Employer Contribution:

Employee Only: \$457 - \$571
Employee + 1 Dependent: \$913 - \$1,141
Employee + 2 or more Dependents: \$1,206 - \$1,507

Effective for the 2025 plan year, the City shall contribute to each eligible employee's cafeteria plan, an amount equal to the following, minus the Minimum Employer Contribution:

For Regular, Full-Time Employees and Regular Part-Time Employees working 30-35 hours:

Employee Only: \$932
Employee + 1 Dependent: \$1,862
Employee + 2 or more Dependents: \$2,460

For Regular Part-Time Employees working 20-25 hours:

Employee Only: \$466 - \$582
Employee + 1 Dependent: \$931 - \$1,164
Employee + 2 or more Dependents: \$1,230 - \$1,537

- C. **Cash-in-Lieu and Cafeteria Plan Cash Back:** Employees electing not to participate in the City's cafeteria plan and waiving all medical, dental, and vision benefits, will receive \$450 "cash-in-lieu" of benefits, which includes the PEMCHA minimum per section A.1 above. Employees who participate in the cafeteria plan but who do not utilize the full benefit allowance, may receive up to \$450 per month of any money not used for the purchase of employer-offered benefits. Cash-in-lieu and cafeteria plan "cash back" will be paid to the employee in taxable compensation.

For Regular Part-Time Employees working 30-35 hours this amount will be \$338-\$394.
For Regular Part-Time Employees working 20-25 hours this amount will be \$225-\$281.

Regular full time employees in the Management, Supervisory, and Professional Employee Group, City Manager, and City Attorney shall receive an allowance of up to \$100 per month intended to be used towards the cost of health care premiums, long term disability premiums, short term disability premiums and/or reimbursement for medical, dental, vision, and prescription expenses. Executive Management Team members enrolled in the ICMA VantageCare Retirement Health Savings (RHS) Plan will have their \$100 monthly allowance automatically deferred to the RHS plan.

All regular part-time employees in the Management, Supervisory, and Professional Employee Group shall receive an allowance of up to \$75 for 30-35 hour employees

and up to \$50 for 20-25 hour employees. This allowance will be reported as taxable income and provided to employees based on the following criteria:

1. An employee must be in a paid status (on the payroll) in order to receive the allowance. During any unprotected leave of absence without pay, an employee is not eligible to receive the health care benefit allowance.
 2. Employees appointed to a classification covered by this Compensation Plan will be eligible for the health and welfare benefit on the first of the month coincident to or immediately following appointment.

XII. PRORATION OF HOLIDAY, GENERAL, AND BEREAVEMENT LEAVE ACCRUALS FOR REGULAR PART-TIME EMPLOYEES (RPT)

For example, an RPT employee who works 35 hours per week will receive 7 hours of pay per holiday. An RPT employee who works 24 hours per week will receive 4.8 hours of pay per holiday. If actual hours worked differ from hours budgeted to work, the lesser number of hours will be used as the basis for proration.

XIII. MANAGEMENT LEAVE

The City Manager, upon the recommendation of the Department Head, will establish an annual allocation of up to forty (40) hours of management leave per fiscal year for each eligible member of the Management, Supervisory, and Professional Employee Group in

recognition of the extra hours of work required of this employee group for which compensation in the form of overtime pay is not provided. The City Manager may authorize up to an additional sixteen (16) hours of management leave. Management leave may be used for leave purposes only and cannot be converted to pay or carried over from one fiscal year to another.

AAL will be reduced proportionately by the amount of EPAL that the employee used. For example, if a full time employee subject to the Plan partially worked between March 17, 2020 and April 30, 2020, but still utilized 60 hours of EPAL, that employee would have 60 hours of AAL, while if a part time employee subject to the Plan that is regularly scheduled for 30 hours per week (and is thus eligible for up to 90 hours of AAL) utilized 60 hours of EPAL, that employee would have 30 hours of AAL. AAL has no cash value and must be used by December 31, 2022. Any AAL remaining on January 1, 2023 will be removed and no longer available for use.

ATTACHMENT A

MANAGEMENT, SUPERVISORY, AND PROFESSIONAL PAY PLAN

This Management, Supervisory, and Professional Pay Plan applies to all regular management, supervisory, professional, City Manager and City Attorney classifications:

I. POLICY

The City's policy for management, supervisory, and professional salaries is to establish and maintain a general salary structure based on marketplace norms and internal job alignment, which provides flexibility to reward management, supervisory, and professional personnel based on performance. Structures, ranges and salary steps will be reviewed annually and updated as necessary based on the market conditions, internal relationships, and City's financial condition.

Individual salary adjustments will be considered by the City Manager based on (1) performance factors and overall contribution to management of the City; (2) pay structure adjustments; and (3) City's financial condition.

II. ADMINISTRATION

The City Manager shall be accountable to the City Council for the overall administration of the Management, Supervisory, and Professional Pay Plan and will report on such administration annually or more often, as requested. Department heads are responsible for recommending to the City Manager salary adjustments for employees within their departments who are covered by the Plan.

The City Council shall consider the necessary adjustment of management, supervisory, and professional salary ranges annually. In determining plan adjustments, the City Council shall consider such matters as changes in the cost of living, other salary changes such as those arrived at through negotiations with recognized employee groups, compression between this employee group and subordinate class ranges and the competitive position of the City in recruitment and retention of management, supervisory, and professional personnel.

The overall salary structure, supporting administrative policies, and assignment of classifications to salary ranges will be reviewed annually by the City Manager with appropriate reporting to the City Council relative to the status of the program.

III. BASIC PLAN ELEMENTS

A. Structure:

Management Classifications: The Pay Plan consists of thirty (30) salary ranges which apply to Management classifications and which provide an approximate spread of twenty (20) percent between the minimum and maximum amounts and a differential of five (5) percent between the maximum of the ranges descending from the maximum amount established for Range No. 30.

All management classifications will be assigned an appropriate pay grade based on salary survey data and internal relationships.

B. **Supervisory and Professional Classifications:** For supervisory and professional classifications, the Pay Plan consists of specific predetermined "salary steps". Each classification shall have five (5) salary steps, with an approximate five (5) percent differential between each salary step.

As needed competitive marketplace studies will be made which will focus on general salary trends for groups of management, supervisory, and professional positions. Periodically, studies will more specifically include position-by-position comparisons using marketplace and internal relationship data. Depending on the results of these studies, the entire pay grade structure may be adjusted or individual positions may be reassigned to different salary ranges. Such assignment will only affect the salary administration framework. No individual salaries will be automatically changed because of structural adjustments.

C. Performance Appraisal. All management, supervisory, and professional personnel shall have their performance reviewed at least once each fiscal year, generally coinciding with the employee's anniversary date. All individual salary adjustments, including those within a salary range and those made to progress through the pre-determined salary steps, shall be based on performance and require an up-to-date performance evaluation to be considered for a salary adjustment. The performance review program provides a planned and orderly means of evaluating individual performance in relation to areas of accountability and program responsibilities. The performance review document and the salary adjustment, either within a salary range or to progress through salary steps, recommended by the department head should be forwarded to the City Manager for consideration and final approval.

D. Adjustments based on Management Range Movement. Adjustments to salary ranges may occur to reflect cost-of-living changes, labor market conditions, and parity to avoid compression with non-management, supervisory, and

professional position classifications. The City Manager may grant an upward adjustment in an individual's salary in any amount up to an amount equal to the adjustment in the salary range or the City Manager may maintain an individual salary at present level. An adjustment of individual salaries is not required by a change in the salary range to which the position is assigned except to maintain the minimum salary for the range.

- E. Meritorious Performance Adjustment for Management. An employee shall be eligible to receive one merit increase per twelve-month period if the employee's performance is deemed to be at a satisfactory level or above. A meritorious performance adjustment would be in addition to any adjustment based on range movement. Such an increase shall be up to five percent (5%), the exact percentage being determined by the City Manager based on an evaluation of the degree of meritorious service and overall contribution to management of the City.

Salary adjustments more frequently than once each twelve month period, but not more than once each six months may be approved by the City Manager for the following reasons:

1. An employee's salary is below the midpoint of the range and the employee has experienced substantial growth in their position representing an increased value to the City.
2. An employee has demonstrated outstanding performance or made an exceptional contribution to the City.

Whenever an employee receives a six-month meritorious performance adjustment, the employee's anniversary date will change pursuant to the Personnel Rules and Regulations.

- F. Special Adjustment for Management. The City Manager may authorize salary adjustments up to ten (10) percent per fiscal year within the assigned salary range for the following reasons:
1. An employee's performance consistently exceeds the scope and expectations of their classification as determined by the City Manager.
 2. Competitive labor market conditions warrant an adjustment.
 3. An employee's overall contribution and value to the City as determined by the City Manager warrants an adjustment.

GENERAL LEAVE PLAN FOR MANAGEMENT, SUPERVISORY, AND PROFESSIONAL EMPLOYEE GROUP INCLUDING THE CITY MANAGER AND CITY ATTORNEY

I. DEFINITION

General Leave is compensated leave for those eligible employees who are absent from duty because of illness, death in the family, medical or dental care appointments, family care, personal reasons or who utilize the time off as vacation. Management Leave shall remain separate from General Leave.

II. APPLICABILITY

The General Leave Plan shall apply to regular full-time employees in the Management, Supervisory, and Professional Employee Group. Regular part-time employees in the Management, Supervisory, and Professional Group shall be eligible for prorated general leave based on actual hours worked or budgeted to work. For example, an RPT employee with one year of City service who works 35 hours per week will receive 161 hours of general leave per year. An RPT employee with one year of City service who works 24 hours per week will receive 110.4 hours of general leave per year. If actual hours worked differ from hours budgeted to work, the lesser number of hours will be used as the basis for proration.

For payroll implementation, hours/accruals in excess of those based on a 20 or 30 hour workweek will be reimbursed to RPT employees on a quarterly basis until the process is automated.

III. GENERAL LEAVE CREDITS

A. Regular Full-Time Employees

Eligible regular full-time employees shall be entitled to the following annual accrual.

<u>Years of Completed Service</u>	<u>RFT Leave Accrual</u>
1 through 9	184 hours
10 through 14	224 hours
15 through 19	240 hours
20 or more	264 hours

B. General Leave shall be accrued in hours on a semi-monthly basis.

- C. During an absence without pay which extends more than fourteen (14) calendar days during a calendar month, the employee shall not accrue General Leave credits.
- D. General Leave During First Year: Beginning on the 90th day of employment, regular employees shall be eligible to earn General Leave credits. Upon the completion of said period of service, regular full time employees shall be credited with forty-six (46) working hours of General Leave and shall thereafter accrue General Leave at the rate of 7.66 working hours, semi-monthly for the remainder of the first year and as provided in Subsection A, Section III, above.
- E. Maximum Accumulation: Regular Full-time employees may accumulate General Leave credits according to the following schedule:

<u>Years of Completed Service</u>	<u>Maximum Accrual</u>

A longer period to reduce converted vacation leave credits may be approved by the City Manager under special circumstances.

V. GENERAL LEAVE USAGE

Request and Approval: Department Heads are responsible for arranging leave schedules so that adequate personnel are available to carry on city work. The use of General Leave shall require approval of the Department Head or their designee and shall be governed by the current Personnel Rules dealing with leaves unless specifically covered by this Plan document. Whenever possible, General Leave requests must be approved in advance of the days to be taken as General Leave. The procedure for requesting the use of General Leave shall be as follows:

- A. General Leave (Non-medical): Any leave that can be reasonably forecast or anticipated such as vacation, care of children, personal business, etc. shall require prior approval of the Department Head, or the employee's supervisor. The time and amount of General Leave to be taken for non-medical purposes shall be determined by the Department Head with due

regard for the wishes of the employee and particular regard for the needs of the City.

- B. General Leave (Medical): An unscheduled absence from work due to an employee's illness shall be referred to as General Leave for medical reasons. The Department Head may require an employee to furnish satisfactory evidence justifying the need to be absent from work for medical reasons. The provisions of A.R. 0513 on sick leave usage shall apply to employees using General Leave for medical reasons. The Department Head shall make the determination and final approval of unscheduled General Leave for medical reasons.
- C. An employee may request General Leave for an unanticipated absence from work (e.g. medical, car trouble, care of children, etc.) by notifying their supervisor within one (1) hour after the time set for reporting to work on the first day of such leave and as often thereafter as directed by their supervisor. Final approval for an unanticipated, unscheduled absence shall require Department Head approval. Failure to request an unscheduled leave in the manner described may result in lost work time charged as leave without pay or unauthorized leave of absence. Inappropriate use of unscheduled leave may be grounds for corrective action consistent with current practice.
- D. Any employee who is absent from work on an unscheduled leave shall not engage in work or other activities which will inhibit their ability to return to work at the earliest possible time.
- E. Medical examination by the City's examining physician may be requested by the Department Head after prolonged, serious, or repetitious illness, injury, or major surgery. An employee's return to duty following illness or injury is subject to the approval of the Department Head or City Manager based upon medical information supplied by the employee's physician and/or the City's physician.
- F. On-the-job Injury: An employee absent from work because of a temporary disability which is defined as industrial under the Workers' Compensation Act may charge General Leave credits (or unused sick leave, if approved by the City Manager) in an amount necessary to make up the difference between the employee's regular pay and the amount payable to the employee as temporary disability payments from the Workers' Compensation Insurance Plan of the City.
- G. Use of General Leave When Permanently Incapacitated: General Leave shall not be used to continue the salary of employment of any employee after it has been determined that such employee is permanently incapacitated from returning to employment and is eligible for disability retirement.

- H. Sick Leave Bank: A sick leave bank shall be established for each employee eligible for General Leave. When an employee becomes eligible for General Leave, any unused sick leave credits will be maintained in this account. Employees may transfer General Leave credits to their sick leave bank in accordance with Section VI of the General Leave Plan.
- I. Use of Sick Leave Bank:
1. Upon approval of the City Manager, an employee whose absence is due to illness or injury which qualifies for Family Medical Leave Act (FMLA) or other legally-protected leave, may use unused sick leave balances for absences due to further illness or injury prior to using further General Leave.
 2. Upon approval of the City Manager, an employee whose absence is due to illness or injury for more than five (5) consecutive work days for any one occurrence may use unused sick leave balances for absences due to further illness or injury for that particular medical condition prior to further using General Leave.
 3. Upon approval of the City Manager, an employee who has exhausted all General Leave credits may be granted the use of unused sick leave balances for a medical purpose. The City Manager may impose up to a five (5) workday waiting period based upon a review of the employee's General Leave usage.
