Note: This exemption will not take effect until the application has been verified and approved by the Tax Administrator and processed by the utilities. The City has up to 60 days to process your request for exemption and if approved, notify the utility companies. The exemption becomes effective on the beginning of the second regular billing period commencing after the utility companies have been notified. The agency may be eligible for a refund of taxes improperly collected by the utilities. Agencies seeking a refund must contact the City of Newark Finance Department. It is a misdemeanor for any person to knowingly receive the benefits of the exemptions when the basis for the exemption does not exist or ceases to exist. It is your responsibility to notify the UUT Support Center, within 10 days, if there is a change in fact or circumstances which might disqualify your agency from receiving the exemption. Please be aware that if denied, the agency has the right to file an amended application, or to appeal the Tax Administrator’s decision to the City Manager.
