Note: This exemption change will not take effect until the application has been verified and approved by the Tax Administrator and processed by the utilities. The City has up to 60 days to process your change request and notify the utility companies. The exemption becomes effective on the beginning of the second regular billing period commencing after the utility company(s) have been notified. It is a misdemeanor for any person to knowingly receive the benefits of the exemptions when the basis for the exemption does not exist or ceases to exist.
